RMFU SPONSORS UNDER SIEGE TOUR: LIVESTOCK MARKET CONCENTRATION THREATENS FAMILY RANCHERS

Please use the enclosed flyer to announce the Under Siege presentation nearest your community. R-CALF USA's CEO, Bill Bullard, is speaking in five communities in Colorado and Wyoming, to help people understand the issues and options faced by small independent ranching families as livestock markets continue to be dominated by multinational corporations.

Bullard and RMFU staff will answer questions and alert attendees to the historic meeting scheduled

for August 27 in Fort Collins, when the USDA and the Department of Justice will hold a joint listening session to explore the nature of livestock market concentration and how we should go forward to serve the needs of consumers, independent producers, and other stakeholders.

Please help us publicize this event by posting the enclosed flyers in community locations like markets, public building and workplaces, so that we can get a strong turnout for this important event.
